Ad Hoc Committee- Implementation Plan (2026-2027) Year 2

Desired Outcome #1

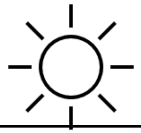

GOAL 1: The public will be informed about the importance of supporting Early Learning and Care.

- Based on feedback from family focus groups, develop accessible materials that help families understand their mixed delivery early learning and care options along with a bilingual public-messaging campaign that increases public and family awareness of the importance of the early years.
- Utilize Board of Supervisor meetings, City Council meetings, and community/school district events, to promote the Marin Child Care Commission's efforts and accomplishments and advocate for the field of Early Learning and Care.

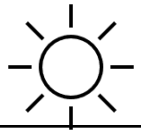

GOAL 2: Marin County will prioritize support for access to high-quality, affordable early care and learning for all.

- Through collaborative efforts, map all public Early Learning and Care funding streams coming into Marin County to see if they are/have been fully leveraged and where new opportunities may exist.
- Work with community partners to conduct a Marin County Facilities Needs Assessment and develop recommendations to expand the supply of childcare based on identified needs.
- Advocate for a county-wide policy, that includes child care space as part of new housing development projects.
- Advocate for private and public partnerships and employer-sponsored benefits to increase the affordability and availability of child care.
